

Wisconsin FAASTeam presents:

Crucial Changes that Will Affect You and the Airplane

New FAA Compliance Philosophy - How can this new approach to compliance and safety positively affect you? - Presented by FAA Safety Program Manager Jurg Grossenbacher from the Milwaukee FSDO. Non-Movement Area Changes at Madison's Dane County Regional Airport (KMSN) - New area markings to be displayed on the east ramp by the summer of 2016 to comply with FAA airport safety concerns. - Presented by Wisconsin Aviation Flight School Director Sean Hatley. Currency vs Proficiency- Are you doing just enough to get by, or are practicing regularly studying and practicing your skills? - Presented by Wisconsin Aviation Flight School Director Sean Hatley. ADS-B Compliance - What is ADS-B? How will it affect you? Why is it needed? How can Wisconsin Aviation be of service? - Presented by Wisconsin Aviation Avionics Manager Ryan Walsh.

Directions: FBO located on east side of Dane County Regional Airport off of Stoughton Road/Highway 51 in Madison, Wisconsin.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
